## Facts About Alert

**Neurological Support\***: Gingko Biloba is recognized for its contribution to nerve health and cognitive function.

**Metabolic Assistance\***: Molybdenum aids in various essential enzymatic reactions within the body's metabolism.

**Nutritional Foundation\***: Brown Rice Flour provides a hypoallergenic source of nutrition, making our formula gentle and supportive of digestive health.

**Detoxification Support\***: N-Acetyl-Cysteine Ethyl Ester is included for its properties that assist in maintaining liver health and supporting natural detoxification processes.

**Healthy Inflammatory Response\***: Our blend includes Glycine, known for its role in supporting a healthy inflammation response system-wide.

**Rich in Antioxidants\***: Packed with antioxidants, helping to combat oxidative stress and cell damage.

**Aids in Weight Management\***: Formulated to help contribute to healthy weight management and maintaining healthy blood sugar.

**Holistic Approach**: Our supplement is a blend of various ingredients intended for overall health and wellness support†.

**Food Safe**: Considered safe for consumption, even in high doses (except for those with mushroom allergies). Dose is 2 capsules with or without food in the morning and/or afternoon.

**Total Wellness**: With a careful selection of ingredients, this product is crafted to support overall health and wellness without overlapping benefits.

Listed ingredient benefits as found in published studies. Research references are available upon request.

## Manufacturing Information§

§Manufactured with ingredients that comply with the Dietary Supplement Health and Education Act (DSHEA) of 1994.

# Label Information

**Directions:** Take 2 capsules in the morning with or without food. Can be taken again in the afternoon.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, mitigate or prevent any disease.

## Key Benefits

• **Cognitive Function Support\*:**

Lion's Mane and Turkey Tail may enhance mental clarity and alertness.

• **Emotional Balance\*:**

Ashwagandha may promote balanced mood and emotional health.

• **Immune System Care\*:**

Echinacea and Reishi may bolster natural immunity.

**Supports Metabolic Wellness\*:** Formulated with ingredients like Green Tea and Berberine, Fat Burner Blend is designed to complement your body's natural metabolic processes, supporting energy utilization and wellness.

**Nutritional Balance\*:** Incorporates a diverse range of nutrients, contributing to your overall nutritional intake and supporting a balanced diet.

**Antioxidant and Vitality Support\*:** With components such as Milk Thistle and Choline, this supplement provides antioxidant support, aiding in the maintenance of vitality and general well-being.

## Facts About Fat Burner Dietary Supplement

**Complements Energy Metabolism:** Designed to support the body's natural energy utilization processes.

**Nutrient-Rich Composition:** Offers a variety of vitamins, minerals, and antioxidants to support a balanced diet.

**Support for Daily Vitality:** Ingredients chosen for their potential to support daily energy and vitality.

**Promotes a Feeling of Fullness:** Chia Seeds are known for their ability to absorb water and expand, potentially aiding in a feeling of fullness.

**Antioxidant Properties:** Green Tea and other ingredients provide antioxidants, supporting the body in managing oxidative stress.

**Supports Nutritional Wellness:** A blend of carefully selected herbs and nutrients contributes to overall nutritional wellness.

**Enhances Hydration and Digestive Health:** Ingredients like Betaine Hydrochloride support digestive health and hydration.

**Crafted for General Well-being:** Every component has been selected with a focus on supporting overall health and wellness.

**Diverse Herbal Blend:** Incorporates a wide range of herbs known for their nutritional benefits.

**Easy Integration into Daily Routine:** Designed to be an easy addition to your daily wellness routine, complementing diet and exercise. Just take up to 2 capsules twice daily with or without food. Drink plenty of water.

Listed ingredient benefits as found in published studies. Research references are available upon request.

## Manufacturing Information§

§Manufactured with ingredients that comply with the Dietary Supplement Health and Education Act (DSHEA) of 1994.

## Label Information

**Directions:** Take 2 capsules in the morning.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, mitigate or prevent any disease.

- Key Benefits**
- **Metabolic Wellness Support\*:**  
May enhance energy utilization.
  - **Nutritional Balance\*:**  
Offers diverse nutrients, supports diet.
  - **Antioxidant and Vitality Support\*:**  
Provides antioxidants, may maintain vitality.

## Joy Dietary Supplement

### Key Health Benefits

**Mood Support\*:** Harnessing the natural properties of Maca Root, **Joy** is expertly formulated to help enhance mood, reduce stress and can provide a sense of euphoria, fostering an overall sense of well-being.

**Libido Enhancement\*:** A potent blend of Horny Goat Weed and our proprietary blend of herbal ingredients have been shown to naturally boost libido and sexual health, catering to both physical and emotional aspects of sexual wellness for men and women.

**Natural Option:** With its all-natural herbal composition, **Joy** stands out as a non-pharmacological option, free from the side effects and dependencies often associated with conventional drugs.

### Facts About Joy Dietary Supplement

**Antioxidant-Rich\*:** Contains Acerola Cherry, known for its high vitamin C content and antioxidant properties.

**Circulatory Support\*:** Includes Beet Root, naturally rich in nitrates that are traditionally associated with supporting circulatory health.

**Energy and Endurance\*:** Formulated with L-Citrulline, an amino acid that supports energy levels and endurance.

**Detoxification Aid\*:** With N-Acetylcysteine (NAC) to support the body's natural detoxification pathways.

**Nutritional Support for Bones\*:** Horny Goat Weed is included for its traditional use in supporting bone health.

**Herbal Nutrient Profile\*:** Stinging Nettle is recognized for its nutrient content and is included for its plant-based benefits.

**Skin and Collagen Support\*:** Vitamin C is a vital component, supporting skin health and collagen production.

**Comfort and Well-being\*:** Features natural herbal ingredients known for supporting physical comfort.

**Flexible Daily Use\*:** Designed for daily consumption with an adaptable dosing as needed. Recommended serving is 1 capsule with or without food.

**Comprehensive Wellness Support\*:** Crafted to support various aspects of wellness, from physical to emotional health.

Listed ingredient benefits as found in published studies. Research references are available upon request.

### Manufacturing Information§

§Manufactured with ingredients that comply with the Dietary Supplement Health and Education Act (DSHEA) of 1994.

# Label Information

**Directions:** Take 1 capsule with or without food.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, mitigate or prevent any disease.

Key Benefits

• **Mood Support\*:**

Maca Root may enhance mood and reduce stress.

• **Libido Enhancement\*:**

May boost sexual health naturally.

• **Natural Option\*:**

Herbal, all-natural mood support.

# Electroceid® Nasal Spray

## Key Health Benefits

**Enhanced Nasal Hygiene and Clarity\***: Designed to maintain nasal cleanliness and protect against environmental pollutants. Regular use may help keep nasal passages clear, supporting optimal breathing.

**Supports Natural Immune Defenses in Nasal Passages\***: Includes minerals such as Selenium and Iron to help support the natural immune defenses of the nasal passages. These elements have been shown to maintain the health of mucosal membranes and support the body's ability to fight off airborne pathogens.

**Promotes Nasal Mucosal Integrity and Moisture Balance\***: Helps to preserve the natural moisture in the nasal passages, promoting mucosal integrity, osmolality and preventing irritation, ensuring comfortable breathing in various environments.

## Facts About Electroceid® Nasal Spray

**Comprehensive Mineral Formula\***: Formulated with essential minerals like Zinc, Copper, and Magnesium to support overall nasal wellness.

**Pathogen Management in Nasal Passages\***: Features minerals known for their role in supporting general hygiene and the body's natural protective barriers†.

**Mineral Support for Nasal Health\***: Includes Iron and Selenium which are essential minerals for maintaining normal nasal mucosa function†.

**Supporting Nasal Comfort\***: Contains Sodium Chloride and Potassium, which are key in supporting the body's natural maintenance of nasal moisture.

**Soothing Mineral Properties\***: Enriched with minerals such as Magnesium and Calcium known for their soothing effects on the body.

**Formulated for Regular Use\***: Carefully selected ingredients like Sodium Chloride support a routine nasal hygiene practice.

**Stability and Use\***: Includes Phenylcarbinol and Benzalkonium Chloride, which are commonly used for product integrity.

**Natural Mineral Focus\***: Avoids harsh chemicals in favor of naturally occurring minerals like Silica and Sulphur.

**Direct Application Design\***: The nasal spray is designed for ease of use, ensuring efficient delivery of essential minerals with just 2 sprays inhaled per nostril every 2-4 hours as needed.

**Research-Based Formulation\***: Each ingredient, from Phosphorus to Manganese, is selected based on research to support nasal health in a comprehensive manner.

Listed ingredient benefits as found in published studies. Research references are available upon request.

## Super Detox

### Key Health Benefits

**Detoxification and Cleansing\***: Helps cleanse heavy metals from the body, which is crucial for reducing the burden of toxins that can accumulate from various environmental and dietary sources.

**Antioxidant Support\***: Proprietary Green Tea blend is rich in antioxidants, particularly catechins, which help to protect the body against oxidative stress and support cellular health.

**Enhances Gastro-Mucosal Blood Flow\***: Our blend is designed to support increased gastro-mucosal blood flow, aiding in the delivery of nutrients and oxygen to the digestive tract. Activated carbon plays a key role in this enhanced process, supporting digestive well-being.

#### Study Cited:

†Sonnenschein, L., & Etyang, T. (2024). The medical importance of activated carbon for detoxing. *American Journal of Biomedical Sciences & Research*, 21(4), Article AJBSR.MS.ID.002860. <https://doi.org/10.34297/AJBSR.2024.21.002860>

### Facts About Super Detox

**Technology Enhanced**: Utilizes advanced carbon technology regarded by the FDA as safe (GRAS) for superior detoxification efficiency†.

**Promotes Digestive Recovery\***: Formulated to support a shortened response to common digestive discomforts.

**Gastrointestinal Tract Targeting\***: Acts at the gastric and intestine mucosal surface for effective toxin binding and removal†.

**Enhances Energy Levels\***: A natural caffeine boost from Green Tea increases energy and focus without the jitters associated with traditional stimulants.

**Supports Kidney Health\***: Aids in the absorption of toxins that kidneys process†.

**Aids in Weight Management\***: Green Tea has been shown to support fat oxidation and thermogenesis, assisting in weight loss efforts.

**Customizable Usage**: Can be tailored to individual needs, providing flexibility in dosage and administration. Recommended dosage is 2 capsules at nighttime without food.

**Monitored Effectiveness**: Effectiveness can be assessed through changes in stool volume, providing a tangible measure of detoxification.

**Quality and Purity**: Made with the highest quality ingredients, free from artificial additives, and non-GMO.

**Overall Health Improvement**: Demonstrated improvements in general well-being and health in users.

Listed ingredient benefits as found in published studies. Research references are available upon request.
